### Declaration of Performance

Hereby we confirm that there is no Declaration of Performance available for our screed accelerator Powerscreed 956. There is no harmonised European standard for this to be tested and therefore no DOP can be issued.

#### DECLARATION OF PERFORMANCE

Ovime izjavljujemo da Declaration of Performance nije dostupna za naš estrih ubrzivač Powerscreed 956.

Ne postoji harmonizirani Europski standard na osnovu kojeg bi mogli testirati, pa samim tim se niti DOP ne može izdati.
